FRANKIE NG

CHIEF EXECUTIVE OFFICER

Frankie Ng was appointed Chief Executive Officer of SGS in March 2015.

Prior to his appointment as CEO, Frankie held many senior roles within the company, including Executive Vice President of Industrial Services and Executive Vice President of Consumer Testing Services.

Frankie joined SGS in 1994 as a management trainee before undertaking a wide range of roles, including CTS Operations Manager in China and Division Manager for SGS-CSTC Standards Technical Services. In 2000, he was appointed Managing Director of SGS US Consumer Testing Services.

Before joining the company he worked with Sodeco S.A. as a Quality Assurance Engineer. Frankie holds a diploma in Engineering from the Engineering School of Geneva and graduated with a degree in Economics & Econometrics from the University of Essex, England.

Nationality: Swiss and Chinese

Born: 1966

TEYMUR ABASOV

CHIEF OPERATING OFFICER
EASTERN EUROPE AND MIDDLE EAST

REGIONS

Teymur has held the position of Chief Operating Officer, Eastern Europe and Middle East since 2007. After graduating with a degree in Electrical Engineering in 1994 he joined SGS as a senior inspector in our Azerbaijan office.

Between 1994 and 2004 Teymur held several key roles for SGS in the region. Following promotion he became OGC Division Manager for SGS Azeri before moving on in 2002 to the role of Operations Manager SGS Azeri. In 2003 he was appointed Managing Director of SGS Georgia before his appointment to the role of Managing Director SGS Azeri and Georgia in 2004 and latterly Managing Director SGS Kazakhstan and Caspian Region in 2006.

Nationality: Azerbaijani

Born: 1972

STEVEN DU

CHIEF OPERATING OFFICER
NORTH EAST ASIA

REGIONS

Steven Du was appointed Chief Operating Officer of SGS North East Asia Region in August 2021.

Steven joined SGS in 1999 and has progressed through several positions. He worked for SGS Singapore and Philippines in food testing, certification and training. In 2002, he managed the establishment of China's first commercial food testing laboratory. Steven has held many senior positions, including General Manager of Consumer & Retail Services in SGS Mainland China and Hong Kong SAR, and Vice President of SGS China. He became Managing Director of SGS Vietnam in 2014 and Managing Director of China in 2016.

Steven holds a Management Diploma from Shenzhen University and Master's Degree in Logistics and Supply Chain Management from the Chinese University of Hong Kong.

Nationality: China

Born: 1972

FABRICE EGLOFF

CHIEF OPERATING OFFICER
AFRICA AND WESTERN EUROPE

REGIONS

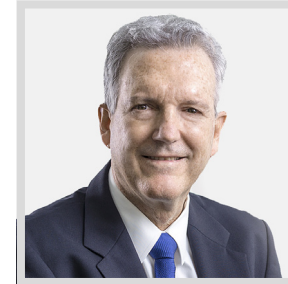

Fabrice has been Chief Operating Officer since March 2017. He was responsible for the Africa region until March 2019, when this expanded to become Africa and Western Europe.

He joined SGS in 1995, working in a range of managerial positions for the Consumer Testing Services division in France before becoming Vice President of Global Hardlines in 2004. In 2004, Fabrice also assumed the position of Managing Director for SGS Hong Kong Limited. Thanks to his excellent knowledge of the Asian market, Fabrice played a key role in driving exceptional growth and synchronizing activities between Hong Kong and China. In 2009, Fabrice became the Managing Director for SGS France.

Fabrice holds a MBA in International Business Affairs from the CESCO Business School.

Nationality: French

Born: 1969

LUIS FELIPE ELIAS

CHIEF OPERATING OFFICER
LATIN AMERICA

REGIONS

Luis Felipe Elias was appointed Chief Operating Officer for Latin America in May 2018.

He joined SGS in 2004 as Deputy Managing Director for SGS Peru, where he managed the Agriculture, Food and Life business. He also helped grow the Oil, Gas and Chemicals, Certification and Business Enhancement, and Consumer and Retail businesses, creating a more balanced portfolio in Peru.

In 2012, Felipe was promoted to the role of Managing Director of Peru and Ecuador, where he delivered growth consistently for Agriculture, Food and Life, Minerals, Industrial, and Training.

Prior to his career with SGS, Felipe worked in the customs brokerage and port services sector.

He achieved his degree in Industrial Engineering in 1982 and an MBA in 2010.

Nationality: Peruvian

Born: 1959

STEPHEN NOLAN

CHIEF OPERATING OFFICER
NORTH AMERICA

REGIONS

Stephen Nolan is Chief Operating officer (COO) for North America (NAM), a role he was appointed to in February 2021.

Stephen joined SGS in 2019 as Managing Director for NAM. Prior to SGS, Stephen worked in a number of senior operational and financial roles in the business services sector, based in the New York metropolitan area. His experience includes five years at human capital company, Hudson Global, eight years at Adecco North America, and three years at DHL Danzas. Earlier in his career, Stephen spent 15 years with Reckitt Benckiser in London and the US after four years with PWC in Dublin.

Stephen earned his BCom degree at University College Dublin and is a Chartered Accountant (FCA).

Nationality: US/Ireland

Born: 1960

MALCOLM REID

CHIEF OPERATING OFFICER
